Welcome Letter

from the President-Executive Director

As President-Executive Director of The First Tee Miami, it is my pleasure to invite you to the 36th consecutive year of the Doral-Publix Jr. Golf Classic presented by the Orange Bowl. It is the most successful international event of its kind. This year, we expect more than 600 participants representing countries from all corners of the world to enjoy the hospitality of Miami and the world-class Doral Golf Resort.

The Board of Directors, sponsors, members, and volunteers have worked diligently to ensure that this year's event will be the best in our history. Our Media Guide provides a wealth of information regarding past events and our plans for this year. Our main goal is "Helping Youth Through Golf" to become better golfers and become good citizens that refelect the wellness and fitness components of the Nine Core Values of the First Tee Miami program.

We are continuously adding excellent training programs, golf workshops and clinics, and tournament events to provide opportunities to improve golf performance. However, The First Tee Miami has added mentoring programs, after-school tutoring sessions, and college preparatory classes to prepare our youngsters for advanced education and for the skills they need when they enter the real world.

The Doral-Publix Jr. Classic provides the perfect opportunity for all participating youngsters to interact and gain these insights from their peers and to develop a world view no matter what country they represent.

As I always say: ***The most effective way of getting involved in your commitment is to . . . get involved!*** Let the Doral-Publix Jr. Classic help you get started.

Sincerely, ***Charles DeLucca Jr. / Charles DeLucca III***
